MEMORANDUM FOR : [REDACTED] TSS/APD
SUBJECT : Patent Disclosure

1. Attached is a disclosure of an invention submitted by Eastman Kodak Company under our Contract No. INC-143 for development and production of seven (7) Camera Processors.
2. Neither the contractor nor its subcontractor intends to file a patent application on this disclosure.
3. Please review this disclosure and advise whether or not you recommend that the Agency file a patent application on the invention.
